Dear Parent/Guardian,

Valley is offering a summer program to students in grades 4 – 8. The program will encompass some traditional learning but will focus more on engaging your child through projects such as cooking and several STEM experiments. We hope that your child will get as much excitement out of doing these projects as we have in planning them!

The summer program will begin on Monday, July 1, 2024, and end on Thursday, July 25, 2024. The summer program is every Tuesday, Wednesday, and Thursday from 8am – 12pm. Please see the calendar on the reverse side.

Please reach out to me by Monday, June 17, 2024, to let me know if your child will be attending and if transportation will be needed.

If you have any questions, please feel free to email me @ pamela.grant@sad13.org or call the school 672-3300 ext. 109.

Thank you,

Pamela Grant
